## DESIGNER & TITAN SERIES WARMERS

WarmSafe™ zone heat – warms safely, quietly & evenly

Provide the warmest possible blankets and fluids with Designer Series blanket warmers. These convenient, patient-friendly warmers are perfect for point-of-care placement.

Both Designer Series and durable Titan Series blanket warmers feature WarmSafe zone heating that ensure every blanket is safely and evenly warmed. With no fans or moving parts on the tabletop blanket warmers, they are engineered for years of trouble-free operation.
