safety

AT ALL TIMES

Place a Wall Mount Protection System outside of each patient room for protection against blood borne pathogens.

isolation

IN A HEART BEAT

Quickly convert to an Isolation Station by clipping on a Sign Holder.

MP-047 Sign Holders sold separately; free isolation signs are available at BowmanDispensers.com

PS016 isolation kit:
BD601-0012 = PS016-0212 + MP-047

Kit includes Protection System & Sign Holder

wall

MOUNT OPTIONS

Wall Mount Hanger

- Makes isolation easy by permanently mounting a wall hanger outside of each patient room
- When isolation is needed, just hang the Protection System onto the small metal bracket and the room is ready

MB-510 
Hanger - Wall

Direct-to-Wall with Keyholes

- Permanently mount Protection Systems using keyholes on back, with customer supplied hardware
- Increases compliance by ensuring PPE is consistently available to staff outside of each patient room

door

MOUNT OPTIONS

Traditional Door Hanger

- Convert to an Over the Door Solution by adding a hanger to a door, then adding any Protection System
- Easy to implement—just hang and start using
- Our most popular door hanger for standard sized doors
- Similar style to a wreath hanger
- Quick, cost effective solution, especially during an outbreak

top seller

BACKED BY OUR
15 YEAR
WARRANTY

Recessed Protection Systems are a smart choice for high traffic areas, such as hallways or near elevators. Our in-wall solutions avoid wall protrusion rule concerns while keeping necessities organized and at hand.

FEATURING:

- Avoids wall protrusion violations; once installed protrusion is approximately 1 ¼"
- Easy supply standardization
- Separates PPE supplies in a clean and protected environment
- Reduced surface area potentially minimizes risk for contamination
- Visible access to supplies improves PPE donning compliance and restocking
- Improves HCAHPS scores with a sleek, organized and aesthetically pleasing design
- One in-wall well & adjustable shelves
- Keyless locking
- Patent pending

Center Side View
Mounting Specs for
All Recessed Units

- 4.77" - Overall depth to face of door
- 4.21" - Overall depth to front of frame
- 1.27" - Depth of installed wall protrusion
- 3.50" - Recessed depth

Build A Room by BOWMAN

[BuildARoomByBowman.com](https://www.BuildARoomByBowman.com)

bring your vision to life

Build A Room shows you the end result in just a few clicks with a camera and a mouse. Create, save and output an image of your ideal room, like the one shown at right.

plan, design, execute

From taking a photo of the area you want to outfit with dispensers, to arranging them according to your needs, you are in complete control of the whole process.

Build A Room is NEW and exclusive to BOWMAN Dispensers:

- Visually plan out your workflow, organization and storage needs
- See firsthand how dispensers will fit in your space
- Arrange, align, and rearrange until you have the perfect placement
- Try out multiple combinations with no commitment to purchase
- Print and download your final layout
- Saved PDF includes a list of your chosen dispensers for reference

Create your ideal working environment in just a few easy steps at [BuildARoomByBowman.com](https://www.BuildARoomByBowman.com):

Choose the consumable(s) and room(s) that need organization.

Tape an 8 1/2" x 11" piece of paper to the wall and take a photo straight on of the room.

Select your room type in Build A Room and upload your photo.

Arrange the yellow square to fill your paper in the photo.

Drag and drop dispensers into your space.

Save your design then print or send your layout to your planning team.

Success is in the details

Integrate PPE Dispensing Solutions into the project planning phase to save space, improve aesthetics and reduce code violations.

value adds FOR EVERY PROJECT

- Recessed, Interior Cabinet, Custom & Stock PPE Dispensing Solutions
- Material options for any budget
- Finish options for any interior
- All products offer best functionality and quality aesthetics
- Strong materials withstand heavy use & hospital grade cleaning products

Proudly made in the USA

BOWMAN Dispensers is a specialized design and development business creating personal protective equipment (PPE) dispensing solutions. Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries.

Since 1988, with customer collaboration, BOWMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BOWMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.
