ISOLUX MAGNUM LED Headlight System

Experience true freedom and infinite mobility with Magnum. No longer held back by power sockets and light cables, the IsoLux Magnum gives total control to the surgeon.

- 30,000 Lux, 50,000 Lux, & 75,000 Lux Intensity Settings
- Whisper Quiet LED Cooling Fan to Extend Runtime
- 10 oz Ultra Comfort Headlight Assembly
- 10mm - 100mm Variable Spot Control
- 5000K True Color Temperature

The IsoLux Magnum Headlight System is an optimal solution for Neuro, Plastic, and Thoracic Surgeons. Meticulously designed to offer reduced weight and optimal brightness and color, the Magnum system is a feather weight solution that reduces neck strain caused by heavier systems.

Isolux has manufactured superior illumination products since 2003.
